Artaissance Honored Alongside The Home Depot by Margaret Fain Elementary School

Atlanta (May, 2008) – Artaissance was honored at the “Margaret Fain Salutes” program for their work with the elementary school’s art department.

Since beginning their work in early 2008, Artaissance has hosted a field trip for Margaret Fain Elementary School students, worked with them on special projects, donated remnants of paper and canvas to the art department, and purchased new art supplies for the art students. The “Margaret Fain Salutes” program also included a dance tribute by Wings of Eagles, dance group, as well as other special performances prepared by the elementary school students.

Artaissance and The Home Depot were honored at the program for their contributions and support of Margaret Fain Elementary School and its students. Pete Cooper, Vice President of Sales, attended and explained how much it meant to the Artaissance team to be recognized at the program: “On behalf of the Artaissance team, we feel privileged to have the opportunity to work with the students of Margaret Fain Elementary School and are honored with this amazing tribute. We look forward to working more with the school and the students in the future.”
